MISSION!
(WE ACCEPTED IT)

To provide an outlet
through which surfers at
UBC and the greater Vancou-
ver community can surf,
meet other surfers, discuss
surfing and other ocean-
related activities/causes;

To introduce UBC students
and Vancouver residents to
surfing;

To provide all possible
resources to make a new
surfer's introduction to
the sport amazing;

To represent UBC and the
Vancouver surfing community
in competitive surfing
events;

To foster an environment
through which both experi-
enced and new surfers can
hone both their surfing
skills and their relation-
ship with the ocean;

To focus not only on
surfing, but provide a
social network through
which members can meet new
and interesting people.
